BLOCH[®]
blochworld.com

THE S0277 PUMP, IS A SPLIT SOLE CANVAS BALLET FLAT BY BLOCH.

THE PUMP IS MADE BY A TRADITIONAL CONSTRUCTION TECHNIQUE USED BY COBBLERS AND STILL USED IN THE MANUFACTURE OF POINTE SHOES. PUMP CONSTRUCTION ENCOURAGES THE CANVAS TO HUG THE ARCH AND REDUCES MATERIAL BUNCHING UNDERFOOT WHEN POINTING.

FEATURES

- SOFT AND DURABLE SQUARE CANVAS WHICH MOLDS TO THE FOOT.
- HEEL SEAM CUSHION FOR A SMOOTH AND AESTHETICALLY PLEASING LINE OF THE FOOT.
